SOME GREAT REASONS TO CHOOSE US:

- On average, passengers and crew are in and out of the airport in 10 minutes. A Universal Aviation staff member will ensure a quick and smooth passage through customs and immigration.
- As part of the consortium that manages the airport's GAT, we have our own private lounge which you can freely use without paying a fee to the airport.
- In addition to handling services, we can assist with flight planning, permit coordination, security arrangements, catering, ground transportation, maintenance, lavatory services, and oxygen services.
- We can help coordinate multi-city itineraries and provide on-airport supervision at airports across Spain.
