SOME GREAT REASONS TO CHOOSE US:

- On average, passengers and crew are in and out of the airport in 10 minutes. A Universal Aviation staff member will ensure a quick and smooth passage through customs and immigration.
- We are the only company fully licensed to handle general aviation at Girona-Costa Brava Airport.
- We have the highest safety standards for ground support at the airport, including a minimum of two wing walkers during aircraft pushback.
- Our private facilities include a VIP lounge and an operations office in the main terminal building.
- We can help coordinate multi-city itineraries and provide on-airport supervision at airports across Spain.
